Course Summary

This a level helps students to understand the responsibilities of the accountant and the impacts of their recommendations on the business and the wider environment.

Students will build knowledge and understanding of key concepts, principles and techniques that they can apply to real-life scenarios, developing the ability to solve problems logically, analyse data methodically, make reasoned choices and communicate their findings effectively.

Course Details

Course content includes analysis and evaluation of financial information, budgeting, accounting for limited companies, capital investment appraisal, and preparation of financial statements.

This A Level is a useful qualification, whether used professionally or personally, and an excellent complementary subject to Business, Economics or Maths.

How will it be delivered?

Two x 3 hour exams

How to favourite courses in PS16

If not completed in the lesson, please ensure that you have started to research and add courses to your favourites by next lesson.

You can do this at home, or using IT devices in school before school, lunch time and after school.

All PowerPoints will be available for you to view on the PS16 page within the careers section of the Castle Mead website: <https://www.castle-tmet.uk/curriculum/careers/ps16/> to support you.

If you require any additional support, please speak to your form tutor or a member of the careers team in the library.
